

WORRY-FREE COVERAGE

A GoodCare® Extended Service Plan gives you the peace of mind that you won't be faced with unexpected repair or part replacement costs for your heating and air conditioning system for up to 10 years from the date of your installation. The GoodCare Plan, backed by the full faith and credit of Goodman Manufacturing Company, L.P. complements the standard product warranty by providing labor coverage and additional years of parts coverage, based on the plan selected. Your GoodCare Dealer can provide you with details on the different coverage options available.

WHAT DOES THE GOODCARE EXTENDED SERVICE PLAN COVER?

The GoodCare Plan provides extended coverage for all functional parts of your newly installed Goodman-produced air conditioning and heating equipment. If a repair is needed, an Authorized GoodCare Dealer will respond promptly and make repairs with quality Goodman parts. With GoodCare coverage, your continued comfort is guaranteed.
