EXTENDED SERVICE PLAN

WORRY-FREE COVERAGE

An AsureSM Extended Service Plan gives you the peace of mind that you won't be faced with unexpected repair or part replacement costs for your heating and air conditioning system. We give you comfort, knowing you and your family won't have to endure any long periods without heating or cooling – you're covered!

The Asure Plan complements the standard product warranty by providing labor coverage and additional years of parts coverage, based on the plan selected. Your Asure dealer can provide you with details on the different coverage options available.

WHAT DOES THE ASURE EXTENDED SERVICE PLAN COVER?

The Asure Extended Service Plan provides extended coverage for all functional parts of your newly-installed Goodman brand air conditioning and heating equipment. If a repair is needed, an authorized Asure dealer will respond promptly and make any needed repairs. With Asure coverage, your continued comfort is guaranteed.

HOW AFFORDABLE IS ASURE?

Isn't your comfort worth only pennies a day? Asure eliminates the cost of unbudgeted system repairs. You will never be faced with a deductible. Asure's got you covered today and for years into the future, no matter how much the cost of a service call may increase during that time.

ASURE PROVIDES ADDED VALUE!

Should you decide to sell your home before your Asure coverage expires, a number of Asure plans are fully transferable to a new homeowner at no cost. What a great way to add resale value to your home! Full details on plan transferability can be found on the Extended Service Agreement Homeowner Contract.

HOW DO I GET ASURE COVERAGE?

Asure service agreements are only available through an authorized Asure dealer. Your Asure dealer will take care of submitting your extended service contract, so you are protected in the event that your equipment should ever require repair service.

Where required, if Asure does not receive all of the properly executed forms, including the sales price and your signature, Asure will reach out to you directly to confirm your policy.

WHAT SHOULD I DO IF MY EQUIPMENT EVER NEEDS REPAIR?

Contact the authorized Asure dealer listed on your Asure service agreement for assistance in your area. Join the ranks of other homeowners who have taken advantage of the affordable comfort and added value of an Asure service agreement.
