

The impeccable reputation of an American original

"TRIED  
& "TRUE

Heating & Air Conditioning  
**Amana**

## The Amana® brand's legacy of reliability is tried and true.

Amanabrand heating and cooling systems are a part of the tried and true legacy of one of America's most recognized and respected brands. Originating eight decades ago in Amana, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment. Chances are, you and generations before you have enjoyed the dependable performance and longevity the Amana brand continues to deliver.

Today, Amana brand heating and air conditioning is part of one of the leading manufacturers of energy-efficient residential, commercial and industrial HVAC systems and refrigerants. The brand has access to global resources and support to ensure that outstanding technology, manufacturing processes, testing and product limited warranties\* are applied in all products.

## We take great pride in our manufacturing quality.

The Amana brand product line is assembled in facilities that are ISO 9001- and 14001-certified, which is accepted worldwide as the independent standard for quality manufacturing, management processes and environment management practices.

Quality, in fact, is an integral part of the Amana brand mission. Over the years, that mission has remained unchanged. From initial assembly to final installation, the Amana brand is working diligently to elevate homeowner perceptions of the entire HVAC industry.

## We believe in providing peace-of-mind.

The Amana brand's Lifetime Unit Replacement Limited Warranty\*, Lifetime Heat Exchanger Limited Warranty\*, Lifetime Compressor Limited Warranty\* (on select products) and a 10-Year Parts Limited Warranty\* offer homeowners peace-of-mind. The Amana brand provides strong limited product warranty coverage for a reason. We build our products to provide lasting performance. We test each Amana brand product, including an actual run test, before it leaves the assembly line.

### Outstanding Limited Warranty\* Protection

\* Complete warranty details are available from your local dealer or at [www.amana-hac.com](http://www.amana-hac.com). To receive the Lifetime Unit Replacement Limited Warranty, the Lifetime Compressor Limited Warranty, Lifetime Heat Exchanger Limited Warranty (in each case, good for as long as you own your home), and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

## An American original continues to invest in the U.S.A.

While many other HVAC manufacturers have moved, or are planning to move production outside of the United States, the Amana brand's parent company is investing over \$400M in a new state-of-the-art manufacturing facility located just outside of Houston, Texas.

Designed, Engineered and Assembled in the U.S.A.

## The Amana brand is a recognized innovator.

Heat transfer is the core of any heating or cooling system — whether it's adding heat to a home with a furnace or removing heat with an air conditioner, the Amana brand is recognized as the industry's heat transfer experts.

The heart of Amana brand furnaces is the heat exchanger. The tubular stainless steel primary heat exchanger found in all Amana brand furnaces is designed with wrinkle bend technology for outstanding durability and heat transfer.

Central to our flagship air conditioners and heat pumps is inverter technology. Our proprietary variable speed inverter technology compressors are revered for their ability to deliver more constant indoor comfort and lower utility bills than single speed compressor models.

In fact, over 30 million units utilizing this technology have been installed worldwide. So, you can rest assured you are getting a proven design.

## We hear from customers who buy Amana® brand products every day.

We wanted to know what homeowners thought about their Amana brand product purchases. So, we hired an industry leading, independent third party to administer, collect and validate homeowner reviews\*. Every day we receive homeowner reviews on Amana brand products, where we are able to validate their purchase of Amana brand equipment through a registration process and even track the customer's specific model and serial number purchased. The results of the homeowner review surveys are overwhelmingly positive. Amana brand products have consistently received an average 4.7 stars out of 5 stars. Verbatim homeowner reviews are available online at [www.amana-hac.com/reviews](http://www.amana-hac.com/reviews).

\*We use the industry leader in homeowner reviews, BazaarVoice, to administer and validate the reviews for Amana® brand products that you see on the website. This means reviews are directly from homeowners, with checks to prevent fabrication, modification, or fraudulent activities. To see how BazaarVoice authenticates reviews, please visit [www.bazaarvoice.com/legal/authenticity-policy/](http://www.bazaarvoice.com/legal/authenticity-policy/).

## Tried and True. Our products stand the test of time.

From Amana, Iowa to Houston, Texas and all points across North America, Amana brand air conditioning and heating systems are efficiently keeping homeowners cool and comfortable. Happy homeowners and the loyal HVAC dealers who trust the Amana brand every day provide clear evidence that long-lasting, premium quality products and a legacy of comfort are synonymous with the Amana brand.

## Homeowners trust the experts.

Every day when faced with replacing an old, broken or inefficient heating and air conditioning system, homeowners turn to local HVAC professionals. In fact, research shows that when it comes to replacing their existing HVAC system, up to 90% of homeowners rely on their local HVAC dealer to determine the best system and brand for their home.<sup>†</sup>

With that many homeowners counting on their advice, dealers will strive to make the best decision and select the best brand for every homeowner they serve. The Amana® brand is a tried and true brand with a legacy of reliability, offering peace-of-mind with industry-leading limited warranties\*, products assembled in the U.S.A and products with outstanding consumer reviews.

*And that's why when their reputation is on the line, so many dealers choose Amana brand equipment.*

Amana brand products average **4.7 out of 5** stars in homeowner satisfaction with thousands of reviews captured on Amana Heating and Air Conditioning products.

"...Pleased with our old Amana! It lasted over 20 years!" — deeMike

"...I got this heat pump and couldn't be happier. It's quiet, efficient, and amazing. Totally worth the money. The warranty is amazing, too." — CSgilbert

"...The best part about the unit we bought is the lifetime warranty on the compressor of the outdoor unit. How can you beat that?" — Scott189
