RELIABILITY, EFFICIENCY AND AVAILABILITY

**QUALITY YOU CAN DEPEND ON**

# GPC14M

## Franklin® brand Packaged Air Conditioner ENERGY-EFFICIENT COMPRESSOR

### COMFORT. SAVINGS. PERFORMANCE.

**Keep your family in energy-efficient comfort for years to come.**

Energy efficiency is the key to controlling the cost and comfort of cooling your home or business. The GPC14M's Seasonal Energy Efficiency Ratio (SEER) is 14. Older installed units in many homes and business may have actual operational efficiencies of 10 SEER or less. Not only does replacing your old unit provide the potential for increased efficiency performance, but you will gain peace of mind knowing that the **Franklin** folks build the GPC14M Packaged Air Conditioner unit to provide years of reliable comfort and quiet operation.

### Compact, all-in-one units help save valuable space

**A Compact Cooling Machine Coupled with a Small Footprint.**

Keep your family in money-saving, efficient indoor comfort for years and years to come. A **Franklin** brand GPC14M Packaged Air Conditioner provides easily affordable value. Plus, our extensive product offering ensures that you get the right system for your specific cooling needs.

**Talk to your Franklin brand dealer about opportunities to optimize the efficiency of your new unit.**

---

### Reliability and long life

**One of the most critical components of a packaged air conditioner is the compressor. That's why the Franklin brand GPC14M Packaged Air Conditioner boasts a high-performance, energy-efficient compressor.**

The compressor operates in tandem with our high-efficiency coil to maximize the operating efficiency and extend the operational life of the unit. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area allowing for an optimal heat transfer process to keep your home or business comfortably cool for many, many years.

- Multi-speed ECM blower motor
- All-aluminum evaporator coil
- Fully-insulated blower compartment for quiet operation
- Chlorine-free R-410A refrigerant
- Louvered condenser coil protection
- Quality powder-paint finish resists fading and corrosion

# Never heard of the Franklin brand?

We're not surprised.

Many homeowners are not aware of the brand or efficiency level of their heating and cooling system. As long as the system is operating and providing reliable heating and cooling everything is fine. Then one day the system stops working. And that's the same day that homeowners briefly reacquaint themselves with their heating and cooling unit!

You may not have heard about the **Franklin** brand of residential heating and cooling systems because the brand is not a nationally advertised brand. In addition, most homeowners purchase a central heating and cooling system just once or twice in their lifetime. Even though you may not have heard of the **Franklin** brand you can rest assured that all **Franklin** brand products are hard working, and are designed to deliver energy-efficient performance for many, many years.

Your local heating and cooling contractor has access to many brands that they can offer, so when they recommend the **Franklin** brand you should know that they have determined that this brand is the best for you, your family and your home.
