

LOVE YOUR ENERGY MANAGEMENT SYSTEM

Eden™ Concierge is here, and you finally have a cloud-based and money-saving energy management system you don't have to think about.

Heads up! If you're reading this, that means your property already has **Eden** as its energy management system. **Eden** can reduce your energy costs by up to 35% compared to the same PTAC without **Eden** installed.*

You're leaving money on the table (and likely losing a good amount of time as well), so it's time to move to a brand new service.

It's called **Eden** Concierge, and it's a cloud-based, always-on way for you to save time—and money.

* These savings represent savings over time as compared to the same PTAC model without the **Eden** EMS installed and were generated using general assumptions including energy loads, local weather averages, and use of occupancy controls. Actual savings will vary according to use habits, room square footage, and how the unit is installed.

Only compatible with **Amana® Brand** PTAC.

HOW IT WORKS

The **Eden™** system is a way to give hotels, nursing homes, schools and any buildings with PTACs a better way to manage them.

The magic happens thanks to an in-room wireless thermostat and occupancy sensor. The in-room PTAC and peripherals are connected with a button push, and there's no wiring to run. Using **Eden Concierge**, every PTAC in the building can be viewed in real-time to check unit performance, temperatures, unit settings and run a maintenance check.

FEATURES & BENEFITS

EASY INSTALLATION

IMPROVED UNIT MAINTENANCE

UP TO
35%

REDUCED ENERGY CONSUMPTION

Compared to PTACs without **Eden**

AUTOMATIC CONFIGURATION

No need to update settings yourself. **Eden Concierge** views and applies ideal room settings to nearby rooms.

SMART CONFIGURATION

You decide whether to prioritize for money savings or for guest comfort, and **Eden** handles implementation.

REPORTS AND CALCULATIONS

Instantly access energy management reports and see how much you would save or spend if you were to alter room settings.

TIMELY NOTIFICATIONS

Get emailed when there's an issue to resolve via our web-based application, or get the **Eden Concierge** mobile app to receive text notifications.

TAKE BACK YOUR TIME (AND YOUR DOLLARS)

With **Amana® Brand** and **Eden** handling energy management, you're freed up to do the things that matter.

Visit AMANA-PTAC.COM/EDEN or call **800.647.2982** to make the move.

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
