

RELAX. IT'S AN **AMANA** BRAND.

R-410A AND NEW R-32 MODELS

Split System Air Conditioners

Amana brand central air conditioning systems are designed to be perfect for any home. Even on the hottest days of the year, they can keep a home cool and comfortable. Don't choose between performance, durability, and optimum cooling comfort. Install an Amana brand air conditioner and get all three. As you review the various Amana brand air conditioners, remember that higher SEER2 numbers reflect the more energy-efficient systems. For the greatest energy-efficiency savings, select an air conditioning system with the highest SEER2 rating.

* Complete warranty available from your local dealer or at www.amana-hac.com. To receive the 10-Year Parts Limited Warranty and/or 10-Year Unit Replacement Limited Warranty (good for as long as you own your home), online registration must be completed within 60 days of installation. Online registration is not required in California, Florida, or Québec. The duration of warranty coverages in Texas and Florida differs in some cases. Changes in law, regulations, or technology may result in an equivalent unit not being available. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions, as well as rights and obligations should an equivalent unit not be available.

† One-time Unit Replacement coverage and One-time Compressor Replacement coverage is available to the original homeowner for years 11-99 after the installation date through an ASURE Extended Service Plan. Complete details about the Extended Service Plan options available from your ASURE dealer.

‡ Supplied with filter drier loose and requires field installation by contractor

§ Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet **ENERGY STAR** criteria. Ask your contractor for details or visit www.energystar.gov.

¶ ComfortBridge™ compatible on furnace and MBVC match-ups ComfortNet™ compatible on AVPEC Air Handler match- ups

Additional information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

WARNINGS:

Always use a licensed installer or contractor to install this product. Do not try to install the product yourself. Improper installation can result in water or refrigerant leakage, electrical shock, fire or explosion.

Use only those parts and accessories supplied or specified by Amana brand. Ask a licensed contractor to install those parts and accessories. Use of unauthorized parts and accessories or improper installation of parts and accessories can result in water or refrigerant leakage, electrical shock, fire or explosion.

Read the Product Manuals carefully before using this product. The Product Manuals provide important safety instructions and warnings. Be sure to follow these instructions and warnings.

For any inquiries, contact your local Amana brand sales office.
