

R-410A AND NEW R-32 MODELS

Residential Packaged Units

Packaged systems sit on the ground or roof top outside your home and deliver quiet indoor cooling and heating performance from a single, self-contained unit. We have a full range of packaged units to meet your needs regardless of where you live. Packaged units are a great option as a replacement to an existing unit or for new construction.

* Complete warranty available from your local dealer or at www.amana-hac.com. To receive the 10-Year Parts Limited Warranty (good for as long as you own your home) and/or 99-Year Heat Exchanger Limited Warranty (good for as long as you own your home), online registration must be completed within 60 days of installation. Online registration is not required in California, Florida, or Québec. The duration of warranty coverages in Texas and Florida differs in some cases. Changes in law, regulations, or technology may result in an equivalent unit not being available. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions, as well as rights and obligations should an equivalent unit not be available.
